CHAUTAUQUA WILL OPEN

TUESDAY, AUGUST 1.

W. E. Welch, advance agent for the Redpath-Horner Chautauqua, spent yesterday in town making arrangements for the North Platte Chautauqua which will open Tuesday, August 1st and continue for seven days, closing Monday evening, August 7th.

The program attractions this year are unusually strong, in fact this circuit this year is as high priced as any in the country, which means that we will hear as good talent as will any town in the west or east.

One of the big attractions this year is "The melting Pot," which will be produced by a playing company composed of ten of the best actors and actresses in the country—an all-star company.

The Chautauqua this year promises to be a record-breaker, not only in the quality of the talent, but in the attendance. So far \$1,480 worth of season tickets have been sold, and the committee hope to swell the amount to nearly \$2,000.

Each year the North Platte Chautauqua is becoming more popular—the people are becoming educated to the fact that for \$2.50 they are receiving more wholesome, elevating, beneficial and instructive amusement than can be obtained from any other source by a like investment.

The seven-day program will soon be published in these columns, and we are sure that many who have not purchased season tickets will do so.

If you favor clean entertainment, boost the Chautauqua.

Swedish Luth. Emanuel Congregation

Kenneth A. Bescher, Pastor.

A midsummer festival will be held at the farm of Frank Strollberg three-fourth of a mile southeast of Birdwood switch, Friday, June 23. Dinner will be served for the small charge of 25 cents, an ice cream stand will be put up, and ice cream sold during the day. A program in both English and Swedish will be rendered by the Svea society, and a speech by the pastor in English and Swedish.

Midsummer day is a Swedish national day of festivity and usage for ancient times in all Scandinavian countries. Every Scandinavian who yet carries in his heart a love for "Mother Svea" is welcome. We also extend our invitation to our American friends to be with us.

Means of transportation out to the farm are arranged for. Meet at the court house campus Friday morning at 9:30.

The Tribune made a mistake in the last issue. It announced the festival to be held June 30th instead of June 23rd.

Moose Hold Picnic

The Moose picnic Sunday at the Kopf grove north of town, was attended by eighty of the members who spent the day very enjoyably. An amusing feature of the day was the ball game with Gibbs, Day, Trout and Peterson as batteries. Messrs. Scott and Clark were in charge of the refreshments and E. Stensval and S. Clark were on the entertainment committee.

ASKS NORTH PLATTE TO ORGANIZE MILITIA COMPANY

P. R. Halligan received a telegram yesterday from Col. H. J. Paul, of the Fifth Regiment, N. N. G., suggesting that Mr. Halligan use his influence in promoting the organization of a militia company in North Platte. The Fifth regiment is short a complement of men and as President Wilson has called out the militia of all the states, Colonel Paul is anxious to make a good showing, hence his desire to fill out the Fifth to its full regimental strength.

Mr. Halligan devoted a good part of yesterday to talking up the proposition, and succeeded in getting up considerable enthusiasm.

The Nebraska Guard will mobilize at the state fair grounds at Lincoln. How long they will remain there, is of course not known, but probably sufficiently long enough to get them in good shape for camp life on the Mexican border, with the possibility of excursions into Mexico.

Miss Abbie Patterson Married

Cards were received in town this morning announcing the marriage of Miss Abbie Sutherland Patterson to John Junior Sutherland at Salt Lake City last Saturday. They will be "at home" at the Hotel New House in that city. The bride is the youngest daughter of Mr. and Mrs. C. L. Patterson, for many years a resident of this city, and Mrs. Sutherland was always a favorite with all acquaintances. The Tribune man, always a great admirer of the bride, extends his best wishes to her and the man of her choice.

PLANS FOR THE SILO AND DAIRY TRIPS

The following self-explanatory letter has been issued by the committee representing the silo and dairy trips to be made next week:

Dear Sir:—You are invited to attend a Get-Acquainted-With-Your-Neighbor "Silo-Dairy-Trip" on June 27 and 28, leaving North Platte at 8:30 a. m. each day. Free auto transportation will be furnished those who do not desire to drive their own cars. This trip is to be given by the North Platte Chamber of Commerce in Co-operation with the Experimental Substation at North Platte and the Nebraska Agricultural Extension Service. You will be taken directly to farms having silos; hear from the owners of the farms themselves what their experience with silage as a feed has been; what the cost to build each type of silos was; the amount of crop required to fill it; the help and machinery used; what mistake the owner feels that he has made; whether he thinks it is profitable or not. In addition to this the University Farm at Lincoln will send some of their best men to talk along dairy and silo lines and to answer any questions along those lines.

The first day's trip will go into the valley west of North Platte, then into the hills south and along the benchlands, visiting both stave and pit silos, irrigated, hill and valley farms, closing the trip in the afternoon at the Experimental Substation and there examining the model dairy barn and silos. Also inspecting the dairy cattle and the records kept of the amount of butter fat produced by each animal. The second day will be spent south of Maxwell and Brady, delegations from each of these stations meeting the North Platte autos at Maxwell and carrying out much the same program as the first day. Each person is expected to provide his own lunch which will be eaten picnic fashion in some farm grove at noon.

The committee in charge of this trip believe that you cannot spend a day more profitably than to come out on this trip and see your neighbors and get acquainted with them. If you wish to bring your wife, do so.

Notice

Anybody owing The Leader for merchandise, please call and pay before the first day of July, as I retire from the business, and J. E. Nelson, of Holdrege takes the full management of the new corporation, which will be known as the Leader Mercantile Co.

PRESIDENT CALLS OUT MILITIA IN ALL STATES

A Washington dispatch dated Sunday said: President Wilson has called out the militia of every state for service on the Mexican border.

In announcing the president's decision, Secretary Baker said the militia would be sent to the border whenever and as fully as General Funston determines to be needed.

Secretary Baker issued the following statement:

"In view of the disturbed conditions on the Mexican border and in order to assure complete protection for all Americans the president has called out substantially all the state militia and will send them to the border where ever and as fully as General Funston determines them to be needed for the purpose stated.

"If all are not needed an effort will be made to relieve those on duty there from time to time in order to distribute the duty.

"This call for militia is wholly unrelated to General Pershing's expedition and contemplates no additional entry into Mexico, except as may be necessary to pursue bandits who attempt outrages on American soil.

"The militia are being called out so as to leave some troops in the several states. They will be mobilized at their home stations, where the necessary recruiting can be done."

Brigadier General Alfred Mills, chief of the division of militia affairs, estimated the minimum militia force to be called out to be 145,000 men.

NEIGHBORHOOD NEWS.

Mary Geisert, of Keith county, lost an eye in a peculiar manner last week. During a heavy windstorm the girl went to a window to watch the storm. Just at that moment the heavy wind picked up an ice house and slammed it against the house. It shattered the glass in the window and badly cut the girl's face, causing the loss of one eye and injury to the other.

In speaking of the recent booster trip to North Platte, the Ogallala News says: "The business men of North Platte treated us royally. Everything that man could think of was done for our comfort and entertainment."

A destructive hail storm passed over the country north of Willow Island Wednesday evening, all kinds of crops being destroyed. Hail four inches deep laid on the ground after the storm. The storm originated in Custer county and swept south to the Platte river.

During the month of May 126 cars of produce was forwarded from Lexington as compared with sixty-eight cars the same month last year. The freight receipts for the month were nearly \$15,000.

G. W. Willey a Stapleton merchant, who used a stove in which to keep his cash over night, found his money bag missing Thursday morning. Some fellow was cute enough to discover the combination of the stove.

H. C. Ruppert, of Maywood, shipped five cars of corn fed cattle to South Omaha last week, part of them selling for \$10.25 per hundred. Even at this price, the shipper does not consider he netted any great amount of money.

The Broadwater Electric Light and Power Co. has been incorporated with a capital stock of \$10,000. Practically all the business men of the town are stockholders.
